

Fantasy Theatre for Children is Winnipeg's oldest children's theatre. Founded in 1981 by Artistic Director *Tony Frost*, we are a not-for-profit organisation that operates as both a production company and a theatre school for ages seven to seventy.

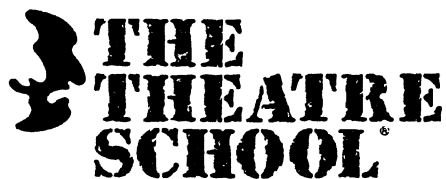

FTC prides itself on being one of the few theatres that gives local talent a place to apply their skills with practical application in all areas of the theatre. Throughout the year, the company holds auditions that are open to students, as well as members of the general public.

All teachers and directors at *Fantasy Theatre for Children* and *The Theatre School* have performed as well as directed, and are dedicated to our long-standing credo that "*some companies use professionals — we create them!*"

OUR VOLUNTEERS

Each season, *Fantasy Theatre for Children* has had a cast of dedicated volunteers from all walks of life. This is the backbone of the organisation both onstage and off, and we give our utmost of thanks to these fine people for their undying support.

If **you** would like to join us as a volunteer, contact FTC today — and become a member of the best cast in town!

The Theatre School is a performance-oriented school for ages **seven** to **seventy**, open to those both with and without previous training or experience. Students of TTS have a very high profile in film, television, and stage, with a high level of excellence well-recognised across Canada.

All students have the opportunity to audition for mainstage plays during FTC's regular season, and will perform onstage in a special class presentation at the end of the school year.
